UNITED STATES TO RAISE A GREAT ARMY; TO BEGIN BY CALLING 500,000 MEN

AMERICA REALLY AT WAR WITH GERMANY

WASHINGTON, April 3.—The United States is really at war with the German empire today, awaiting only the formal recognition of Congress. Every agency is moving to gird the nation against the government which the president's address to Congress characterizes as the "natural foe to liberty."

The cabinet was called to war session to discuss the extension of credits to the nations already at war with Germany, and to raise money by taxation for the use of the United States in conducting the war; it will also arrange to prepare the navy to its fullest efficiency to cope with the submarines, and will raise a great army on the principle of universal liability to service. The first increment of the army will be a half-million men.

Mrs. Eaton, who first told the story at Wilbur-by-the-Sea, was received with such enthusiastic appreciation that she decided to give her reading in other hotels. Appearing at the Despland and in New Smyrna when her husband's gift of interpretation, she won her audience to an enthusiastic support of the fund and has already sent \$95 to the organization. Last year Mrs. Eaton raised \$50 with a musical given at her Boston home.

The \$1,900 taken to Europe in person by Mary Young, better known as Mrs. John Craig, brought far reaching results in the relief work for the French and Belgian babies. No admission will be charged to hear Mrs. Eaton's charming reading, those who hear her being permitted to give to the fund according to their desire.

NAVAL RECRUITING PARTY IN DAYTONA FOR TWO DAYS ONLY

The advance guard of the recruiting party from Key West arrived in Daytona yesterday afternoon by automobile and consisted of Chief Gunner C. D. Holland, U. S. N.; Surgeon G. B. Tyler, U. S. N.; and Lieut. C. D. Mack, U. S. Naval Reserve force. These officers were joined this morning by Chief Mach. Mate R. M. Dyer, U. S. N., and Hospital Apprentice Samuel Bostic, U. S. N., who came by train.

The party will be here for only two days and while here, will have headquarters in the Commercial club rooms in the Conrad-Bullard building at the corner of Beach street and Orange avenue, where some member of the party will always be present during their stay here. They will go from this city to St. Augustine.

The object of their visit is primarily to receive enlistments for the Naval Coast Defense reserve, but they are also prepared to take enlistments for the regular naval service.

In the cities and towns which they have visited between Miami and Daytona they have enlisted about 125 men for the naval reserve and also a number for the regular naval service. Men between the ages of 18 and 58 are eligible for enrollment in the Naval Coast Defense reserve.

The requirements for enlistment in Class No. 4, Naval Coast Defense reserve are as follows:

"Shall be composed of men who shall be capable of performing special useful service in the Navy or in connection with the Navy in defense of the coast.

"Any person to be eligible for membership in any class must: Be a citizen of the United States; obligate himself to serve in the Navy throughout a war or during the existence of a national emergency declared by the President, should either arise during his term of service; must have taken oath of allegiance to the United States.

"Enrollments shall be for a period of four years, but members shall in time of peace, when no national emergency exists, be discharged upon their own request. When first enrolled, members of the Naval Reserve force shall be given a provisional grade rank or rating in accordance with their qualifications determined by examination. They may thereafter, upon application, be assigned to active duty in the Navy for such periods of instruction and training as may enable them to qualify for and be confirmed in such rank or rating. Three months active service is required of members before confirmation in their provision-

al rank or rating, which can be taken in one or more periods, but shall not be for any period of less than three weeks.

"Members of the Naval Reserve force shall, upon first reporting for active service for training during each enrollment, be credited with a uniform gratuity of \$50 for officers and \$20 for men. Upon reporting for active service in time of war or national emergency the uniform gratuity shall be \$150 for officers and \$50 for men. The allowance for subsistence for enrolled men in class 4, while on shore duty, is \$1.25 per diem.

War Resolution Blocked Today By Sen. LaFollette

WASHINGTON, April 3.—The resolution declaring that a state of war exists between the United States and Germany and directing the prosecution of war went over until tomorrow on the objection of Senator LaFollette, of Wisconsin. A stormy scene ensued between LaFollette and Chairman Martin. The Senate adjourned until tomorrow.

LaFollette said he expected "quite a little debate." Other former filibusters said there will be no protracted debate.

The House adjourned until tomorrow after the Foreign Relations committee postponed until tomorrow consideration of the resolution.

RESOURCES OF NATION TO BE PLEDGED TO WAGE WAR AGAINST GERMAN EMPIRE

DEPOSITORS MEET TO MAKE ARRANGEMENTS FOR INVESTIGATION

One hundred and twenty three depositors of the First National Bank met in the Moose hall last night, the meeting being primarily for the purpose of taking proper steps to safeguard the interests of those who had money in the bank.

Ralph Purdue was elected chairman and R. L. Smith corresponding secretary. A committee composed of Joe Osborne, E. H. Shaemaker, J. C. Lyle and J. Ginsberg were elected to take charge of plans made by the depositors to investigate the affairs of the defunct institution. To defray expenses that the committee might incur, a fund approximating \$25, started by A. W. Seville, was raised. No officials of the bank were present.

After a general discussion of the matter by those present, the committee held a session which lasted ten minutes. Until further steps have been taken the plan of action arranged by those on the committee will not be made public, according to one of the depositors, who was interviewed by a representative for the News last night at the conclusion of the meeting.

The meeting was adjourned at 10 o'clock, no date being fixed for the second, which it is understood, will be held shortly. According to a depositor, should further funds be needed for the investigation, they will be forthcoming without delay.

The following statement was issued to the News this afternoon by R. L. Smith:

"The committee appointed by the depositors of the defunct First National bank of Daytona met and organized with Ralph Purdue as chairman and R. L. Smith as secretary."

"The committee was addressed by a gentleman representing a strong financial circle who said that plans were being perfected to organize a new bank, whose interest is closely allied to the interests of the depositors of the defunct First National bank and that every effort would be made looking forward to the payment of its depositors in full."

"The committee, after receiving the above statement and making other investigations are of the opinion that nothing would be lost and much may be gained by exercising a spirit of patience for two or three days when the committee is promised information of a more definite character."

"Call for another meeting of depositors will probably be made within a few days, due notice of which will be given through the local papers."

RESOLUTIONS ARE ALREADY PREPARED

WASHINGTON, April 3.—Congress met today to act on the President's request to declare that a state of war exists between the United States and Germany. It is taken for granted that both houses will pass the resolution by overwhelming majorities, although the pacifists were expected to offer some opposition.

Senator Martin, the Democratic floor leader, said that when the resolution came from the committee the Senate ought to act before adjourning.

The Senate Foreign Relations committee approved the administration resolution declaring that a state of war exists with the German empire in practically the same form that it was introduced in both houses last night. The vote was unanimous except that Senator Stone voted against it and Senator Borah was absent. Senator Stone said he would not make a minority report but expected to speak against the resolution. Senator Hitchcock, who will report the resolution to the Senate today, will make an effort to get it through as soon as possible. He took the resolution to the House Foreign Relations committee and will try to get it put in the same form there.

The resolution says that whereas the German government has committed repeated acts of war against the United States, Congress declares that a state of war exists and authorizes the president to employ the entire naval and military forces and the resources of the government to bring the conflict to a successful termination, and that Congress pledges all the resources of the country to that end.

The directors of the Daytona Public Library association at a recent meeting adopted a resolution to the effect that the interests of the association in the library building and contents and other property belonging to the association be conveyed to the city of Daytona, the consideration of conveyance being that the library be continued and maintained as a public library. The action of the directors has been recommended to the city commissioners but no official action has as yet been taken by them in the matter.

CATTS ADVOCATES STATE PROHIBITION

Catts advocated the submission of a constitutional amendment for prohibition; he also advocated the tightening of the present liquor regulations to make dry counties "bone dry." Senator Johnson was elected president of the Senate, and Representative Hardee speaker of the House.

LIQUOR MEASURES TO OCCUPY ATTENTION OF FLORIDA LEGISLATURE

TALLAHASSEE, April 3.—Liquor legislation promises to command much of the attention of the Florida legislature which began a sixty-day session today. Florida, Louisiana and Texas are the only southern states that have not adopted statewide prohibition.

Governor Sidney J. Catts was elected on an independent prohibition ticket and will support a constitutional amendment providing statewide prohibition and also a bill to repeal the Davis package law. The Davis law provides that liquor may be sold in counties voting "wet" but cannot be consumed at the place purchased.

An effort will be made at this session to repeal the primary law enacted in 1913 which provides for second choice voting and abolishes the second primary. At the last primary Governor Catts was declared the Democratic nominee but after a recount the second choice votes put W. V. Knott in the lead and he was given a certificate of nomination. Knott ran as the Democratic nominee but was defeated by Catts.

A state-wide compulsory school attendance bill will be urged to replace the county option measure passed in 1915.

Among other measures expected to be introduced provide for: Constitutional amendment for woman suffrage; amendment of corrupt practice act requiring candidates to file receipted bills with their expense accounts; increase in the number of supreme court justices from five to six; dipping of cattle; appropriation of \$200,000 to meet a like amount of federal funds for citrus canker eradication; constitutional amendment for initiative, referendum and recall including judiciary; state commission to take charge of draining everglades and less drastic libel laws.

THIS PARTY OF BUCKEYES WERE DAYTONA VISITORS

Wm. M. Miller and H. J. Shore, of Dresden, Ohio, were pleasant callers at the News office Monday. Messrs. Miller and Shore, who were accompanied by their wives, had been at Miami, Lakeland and various other places before coming to Daytona and were here for a visit of only a few days, but were greatly impressed with the beauty of the city. Mr. Miller had for many years been engaged in the newspaper business, owning at various times the Recorder, Zanesville, Ohio, the Daily News, Springfield, Ohio, the Daily Blade, Portsmouth, Ohio, and other papers in the Buckeye state, his specialty being the rehabilitation of run-down newspapers.

DAYTONA ELKS PLEDGE SUPPORT TO PRESIDENT

In compliance with a telegram received from Grand Exalted Ruler Edward Righter, yesterday by B. B. Baggett, secretary of Daytona Lodge No. 1141, B. P. O. Elks, a special meeting of the lodge was held last evening. The telegram from the exalted ruler was as follows:

Wire President and this office result, and, within your jurisdiction, lend practical aid as well as pass resolutions.

"EDWARD RIGHTER, Grand Exalted Ruler, B. P. O. E."

The meeting, which was one of unusual solemnity, was well attended and included several visiting Elks. Upon the request of Exalted Ruler F. N. Conrad, Col. C. M. Bingham addressed the assembled Elks, as did also Ed. Pierce, of Sheldon, N. D., prominent winter resident of Daytona Beach.

A committee was appointed to draft resolutions for the consideration of the lodge and a recess was taken while this was being done. The resolutions which were unanimously adopted as presented were as follows:

"F. N. CONRAD, Exalted Ruler."

MRS. BOOTH HEARD ON PRISON REFORM

The address made Monday afternoon in the New Daytona theatre by Mrs. Maude Ballington Booth, whose prison reform work has stamped her one of the biggest personalities in philanthropic work today, was attended by a representative gathering of Daytona people, with many from Seabreeze and Daytona Beach.

On the platform with Mrs. Booth were Rev. Holmes S. Rightmire, of the First Baptist church and Rev. J. F. Pickard, of the First Methodist church. After the singing of "My Country 'Tis of Thee," and the introduction of Mr. Rightmire, Mrs. Booth made a talk in the interests of her work that held her audience spell

bound. Perhaps no greater evidence can be found of the far reaching results of Mrs. Booth's work than the present membership of the Volunteers of America and its auxiliary the Volunteer Prison League, both commanded by General Ballington Booth and Mrs. Booth. Starting 24 years ago with an enrollment of 60, the league now has a membership of 85,000. Mrs. Booth told her hearers of the chain of homes which has been established all over the United States for the men who leave prison. The homes, since their inauguration, have cared for 25,000 and show the splendid record of 70 per cent who have become good citizens after leaving prison.

Mrs. Booth dwelt on the inestimable value of the rehabilitation and uplift of the individual to the nation. Her description of Hope Hall, at Hampton in Bradford county, told of what Florida is doing for its ex-prisoners. Mrs. Booth has a rare gift of platform ability that made her address memorable to those who were fortunate in hearing her.

With Mrs. Booth were Lieut. Col. F. C. Fegley, Adj. L. A. Odom, Dr. Wm. McGinnis, D. D., C. W. Gilliam, assistant to Adj. Odom. With the exception of Mrs. Gilliam who returned to Hope Hall, the party left Monday for New York City.

INTERESTING MEET SEABREEZE TOWN COUNCIL MONDAY

COUNCIL COMMITTEES ARE DE-
CIDED ON—WORK WILL SOON
START ON OPENING OF ELPS
BOULEVARD.

A goodly amount of business was transacted at the regular monthly meeting of the Seabreeze town council held Monday night at the town hall on Butler Boulevard, with all members present except Councilman Wilson.

Mayor W. O. Upson, who was present, suggested that the council revise all the town ordinances up to the present and have them printed in book form for ready reference. The council then took favorable steps on the matter.

The suggestions of Mayor Upson regarding the various committees of the new council, were heard with interest and passed on without dissent. The committees are as follows: Finance: James Woods, chairman, W. A. Mathas, W. N. Manchester; Law and Ordinance: H. G. Wilson, chairman, W. N. Manchester, S. Z. Holland; Street: W. A. Mathas, chairman, S. Z. Holland, James Woods; Taxes and Licenses: W. N. Manchester, chairman, H. G. Wilson, W. A. Mathas; Water and Fire: James Woods, chairman, W. A. Mathas, S. Z. Holland; Sanitation and Health: S. Z. Holland, chairman, James Woods, H. G. Wilson.

W. A. Mathas, as chairman of the street committee, was instructed to see Town Attorney Harry A. Horn and to ascertain a special act of the state legislature is necessary in order that the town may build brick or asphalt roads and assess the cost of such roads in thirds against the town and against the property owners on each side of the streets so hard-surfaced. It is thought by members of the council that the charter of Seabreeze does not give the town power to take steps of its own accord.

Town Clerk Carl K. Gillett was instructed to advertise for bids for the purchase of \$2,000 in unsold road bonds of the town.

The council gave the mayor and clerk authority to sign the contract with and get a surety bond from Sydney Haigh for the clearing and grading of Elps boulevard between ocean and river.

The town treasurer and clerk of the water works were instructed to turn over their books to J. E. D. Graves, of Daytona Beach for auditing, before the next meeting.

The council told the clerk to call on E. L. Potter regarding the subscription of \$100 which was agreed upon to help in paying for the approach to Ocean boulevard which the town built several months ago.

Harry A. Horn was made town attorney at the same salary and arrangements as before, providing agreeable to Mr. Horn.

The new chairman of the sanitary committee, S. Z. Holland, received charge of the sanitary ordinance with instructions to make any necessary alterations and improvements.

At the request of the council the street committee is to procure shell and other necessary materials to patch the ends of new sidewalks which have recently been laid. The walks along Earl street especially need this work because they are more than a foot above the road bed at the end of every block.

Marshal D. E. Lowe was told to turn in a proposition at the next meeting of the council as to what salary he wishes for the coming year and as to what work he will do.

Action regarding the salary of the clerk and superintendent of the water works was held over. After the discussion of other minor matters, the council adjourned.

Cornelius O'Neill and son John and daughter, Mary, were visitors to the beach Sunday for the day. These people frequently motor over to the beach from their home in Deland to spend a pleasant day or week-end.

The new bungalow home of Mr. and Mrs. E. E. Tupper, which they are having built on Peninsula Drive a short distance north of Seabreeze avenue, Daytona Beach, is almost finished. The finishing carpenters and painters will soon put on the final touches.

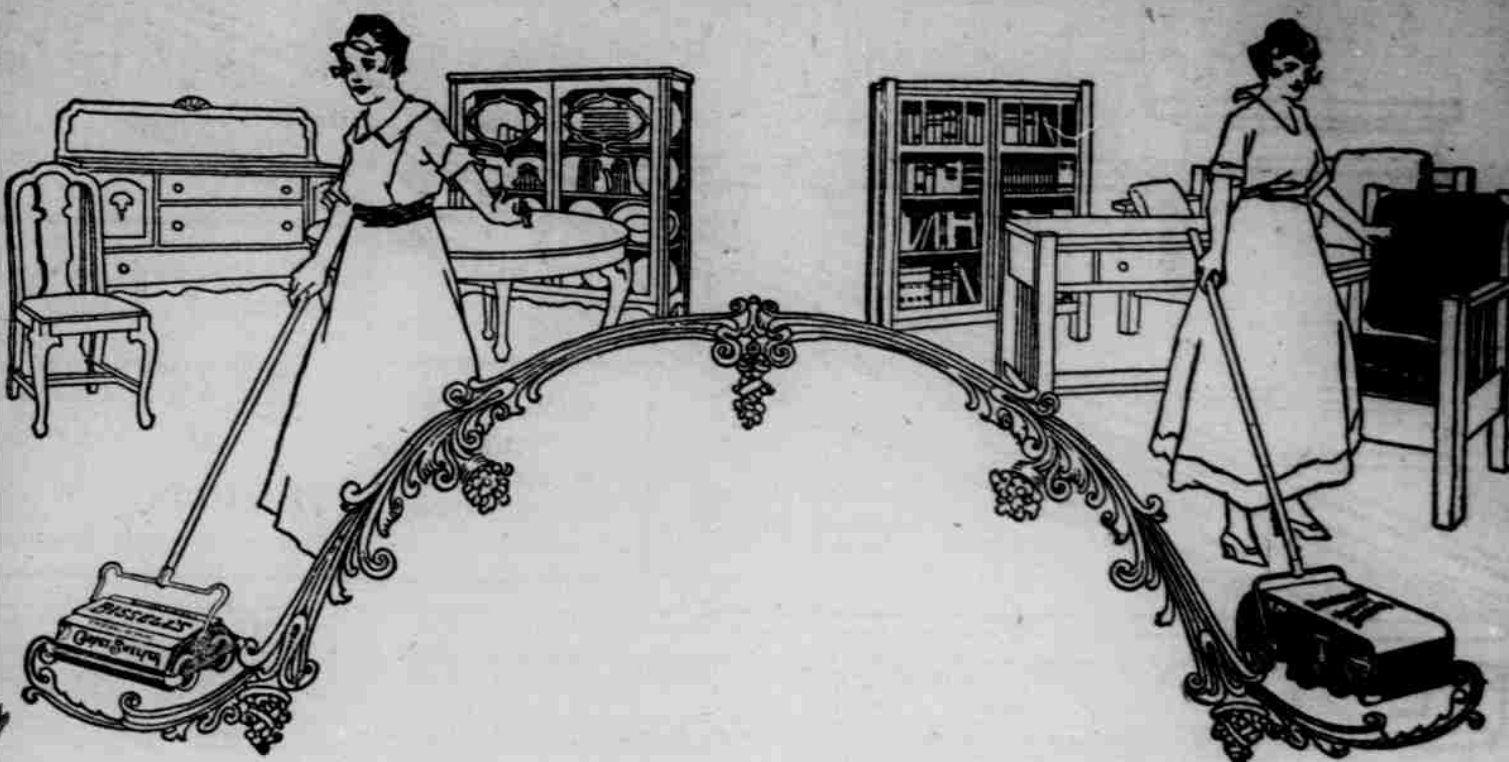

Miss Besie Moyer is now visiting her sister, Mrs. G. W. Darby at the home of Mr. and Mrs. Darby on Ocean avenue, Seabreeze. Miss Moyer has spent the greater part of the winter at other cities in the state. She has in the past spent parts of several winters at the beach and she has a number of friends here who are glad to meet her again.

BURGOYNE MONUMENT NOW NEARLY COMPLETE

The Burgoyne monument which is now in process of erection at the north side of Pinewood cemetery, is nearly complete. Word has been received by Frank Naughton, of the Clark Monument company, of Jacksonville, that the parts of the beautiful memorial which are yet to be sent, are nearly finished. The principal items of the monument which remain to be placed are the angel of marble, which is to stand on the west side of the 16-foot marble cross and which will hold up a bronze tablet with a suitable inscription, also the bronze gates which will swing in the center of the west side of the decorative wall which surrounds the entire lot and the monument proper.

Horse-Shy Young Men.

The discovery is being made that many young men who have reached manhood in the last ten years do not know how to harness and attach the horse to the buggy, crank the beast, step on the horse-starter, engage the clutch and get across the country under one horse power.—Minneapolis Journal.

NEW COUNCIL MEMBERS SWORN INTO OFFICE

The last meeting of the old Daytona Beach council took place Monday evening at the Harvey street town hall.

All members were present and a considerable amount of business was carried out.

Councilman Oliver objected to the amount of money that was set aside for the water works sinking fund because it was not sufficient and asked that it be made a matter of record.

The tax collector's report showed \$3,386.76 received during March.

Two of the councilmen reported that they had investigated the condition of the sidewalk along Harvey street and found that the fault was entirely in the construction and not in the fill. C. H. Willson, as agent for the Hubbell estates, was instructed to have a suitable sidewalk put in.

Mrs. Margaret Malloy was informed that she must build a sidewalk along her property within 15 days or the town will have a walk built.

Bills aggregating about \$1,700 were ordered paid by warrant. These bills included one item to the Merchants bank of \$1,060.44.

Town Attorney Harry A. Horn was instructed to collect the delinquent assessments on South Atlantic avenue, Ocean avenue and block 13.

The clerk then read the election return of March 31 and the council moved to declare those elected, who received the requisite number of votes.

The new officers were then sworn in by Harry A. Horn, the retiring clerk and the new council took charge of the town business, after the old body had adjourned sine die.

A DELIGHTFUL HOUSE WARMING AT WILBUR

The palatial new home of Mr. and Mrs. F. O. Curtis, on the ocean front at Wilbur-by-the-Sea, was thrown open to their friends, on Friday evening. The night was pleasantly spent playing cards and other games, as well as dancing. Mr. and Mrs. Curtis were pleasantly surprised when Wilbur F. Cobb, in behalf of those present, presented them with a handsome library table and a bouquet of beautiful flowers. They were so completely overwhelmed, that for a moment both were speechless, but Mr. Curtis quickly recovered and made a very fitting response, expressing their great appreciation and he stated that he looked forward to seeing many others co-operate with him and build at Wilbur-by-the-Sea, and become his neighbors.

A most amusing feature was when Mrs. C. A. Davis presented Mr. and Mrs. Curtis with numerous useful articles and read original verses which accompanied each gift.

Mr. and Mrs. Curtis are prominent people in Buffalo, N. Y., and the Wilburites are pleased to have such delightful people join them.

All Right, After All.

"When I was married," remarked the entertaining guest, "I had but half a shirt to my back," and while the guests were still gasping he said, "the other half of it being in front."—Browning's Magazine.

What an empty thing life would be without responsibility. The shut-in who is in life without the responsibilities of life provides responsibilities for others. His burden becomes lighter when he is made to feel that to another it is an incentive.

**SUCCESSFUL ENTERTAINMENT
FOR SCHOOL MUSICAL FUND**

The musical given yesterday afternoon at the Casino Burgoyne for the benefit of the South School musical fund was successful in every detail, the net proceeds being \$51.76.

Under the direction of a committee headed by Mrs. J. B. Garrison, and composed of Mrs. Wm. Hanks, and Miss Brachhold, the well arranged program was perfectly carried out. The first number overture by the Tucker orchestra, was followed by a talk by Miss Chandler, "Value of Good Music to the Child." Miss Chandler handled her subject cleverly, her clear concise phrasing showing an intimate knowledge and thoughtful consideration of the topic. After Miss Chandler's talk, the children of the second and fourth grades gave an altogether charming group of singing games. Dressed in their dainty be-ruffled frocks, with bright hued sashes and hair ribbons, and smart little Norfolk suits, the little girls and boys sang and played with a lack of self consciousness that was wholly delightful. The next was a violin, cello and piano number by Maurice H. Kirk, Witt B. Macaulay and Victor J. A. Baradel. Their well-executed selection was one of the most popular on the program.

Dr. Daland's discussion of good music gave his hearers many interesting points on his subject. In his brief, though comprehensive address, Dr. Daland dwelt on three phases. First, that music is essential to the aesthetic well being of all people. The second was especially appropriate, that the aesthetic life of the adult is a development of that of the child; and therefore, that children should be surrounded with the best artistic influences and hear from the cradle the best music. Concluding, Dr. Daland impressed upon his hearers that the value of music in the education of children is derived from the fact that the "child is father to the man."

In his cornet solo, "The Rosary," Bowen R. Church grasped the many opportunities afforded in the beautiful number for his great gift of interpretation. A dainty group of little girls sang "Mud Pies" and brought back to their hearers a vivid picture of the many delightful things they did when

as small as the diminutive performers. It was generally regretted that owing to illness Miss Osborne was unable to give her vocal numbers on the program. Especially attractive because of the whistling accompaniment of the boys, the song "The Wind" given by the third grade pupils, was a delightful finish to an excellent program.

The ice cream sold at the conclusion of the program was generously given by Leon M. Waite of the Despland hotel. The dainty cakes were made by the mothers of the children.

An audience that filled the casino to the doors enjoyed the program and contributed generously to the success of the affair. The proceeds will be used for the purchase of a Victrola for the school. To the committee who arranged the affair much credit is due for its undoubted success.

DAYTONA BEACH HOTEL DID NOT MEAN DISTRESS SIGNAL

The management of the Daytona Beach hotel was widely discussed this morning by practically everyone who lives within a mile radius of the hotel and who noticed the Old Glory floated from the building's flagstaff for several hours upside down. However, Mr. Ayres assured a News reporter over the telephone that his hostility was not in distress and that an employee of the house was at that moment putting the flag in its rightful position.

Although the Daytona Beach hotel people may feel somewhat wearied after the strenuous work of a splendid winter season, they certainly did not purposely hoist their flag upside down. The deed was done by a careless porter who has been discharged for his offense.

"THE SAINTLY SINNER"

Bluebird Photoplays, Inc., having established an enviable reputation, brings forward "The Saintly Sinner" as another proof of enterprise and expertness in screen productions. Ruth Stonehouse and Jack Mulhall will head a Bluebird company in presentations of this exciting melodrama at the Crystal theatre tomorrow, when lovers of the sensational will be assured of plenty of thrills to enliven their hour at the theatre. Briefly, there's the plot: Jane Lee, a stenographer, was wrongly and unjustly accused by her employer. On his testimony she was convicted and sentenced to a long term in prison. As a matter of fact and justice the man should have been in jail, serving a life sentence for his own misdeeds. But the law does not always work justly—and because of this Jane Lee took matters into her own hands, once she was free, and doted out her own ideas of retribution with unsparring hand. How well she succeeded in administering what she considered justice to the man who had wronged her constitutes a gripping narrative, filled with excitement and replete with thrills for those who love sensations in photoplaying.

Friendship.
